# JOHN MALEK GARANG

Software Engineer

## PROFILE

I am a driven individual with a lot of interest in developing applications that align with the user's needs. I am highly motivated and can work in a team. I am always ready to learn from others and possess very good listening skills.
I am also interested in backend systems and databases.
I have a growing interest in Machine Learning and AI.

## TRAINING AND EDUCATION

**Jomo Kenyatta University of Agriculture and Technology**
January 2020 - Present
Bachelor of Science in Information Technology

**Udemy - Certification**
March 2020 - June 2020
The Web Developer Bootcamp
Certificate

June 2022 – October 2022
The Complete Python Pro Bootcamp

## WORK EXPERIENCE

**Ujamaa Africa  Instructor**
June 2018–January 2020
I was tasked with training boys on a curriculum that encouraged boys to stand up for the girls and women in their lives. The organization is an NGO that deals in the reduction of sexual gender-based violence.

**Equity Bank  Salesman**
November 2016 – March 2017
I worked for the bank's agent selling Equitel lines and got paid on commission.
